A Resolution by the Governing Board  
Declaring Schools Open for In-Person  
Instruction

**RECITALS**

1. Senate Bill 98 was enacted as a result of the COVID-19 pandemic and, among other items addressed, it added section 43504 to the California Education Code. Section 43504(b) calls for schools to “offer in-person instruction to the greatest extent possible;” and
2. Pursuant to the Blueprint for a Safer Economy issued by the Governor’s office on August 28, 2020, and other applicable authority, schools within a county are permitted to reopen for in-person instruction 14 days after the state transitions the county from Tier 1 to Tier 2; and
3. The Board of Trustees has previously approved a detailed Reopening Plan to allow schools to reopen in accordance with the safety guidance issued by the California Department of Public Health; and
4. Current information indicates that students are experiencing “learning loss” as well as loss of critical socio-emotional opportunities under a distance learning model, especially the most vulnerable students, including special education students, English learners, foster youth, and homeless students; and
5. The Board acknowledges that safety of students, staff, and the community is of utmost importance in implementing any return to school; and
6. District has consulted with its stakeholders, including parents, community members, and labor representatives; and
7. District desires to reopen schools in a gradual phased approach so as best to monitor the health and safety of students and staff adhering to health and safety guidelines reflected in the Reopening Plan prepared in accordance with current guidance from the California Department of Public Health,

NOW, THEREFORE, BE IT RESOLVED as follows:

- A. The above recitals are true and correct.
