Joint Resolution No. 20-7
San Mateo County Board of Education and
San Mateo County Superintendent of Schools
State of California

Recognizing March 2020 as National Women’s History Month

Whereas, 2020 marks the 100th anniversary of the passage of the 19th Amendment, guaranteeing and protecting women's constitutional right to vote; and

Whereas, National Women’s History Month honors and celebrates the struggles and achievements of American women throughout the history of the United States; and

Whereas, American women of every race, creed, and ethnicity have helped found and build our Nation in countless recorded and unrecorded ways; and

Whereas, women have led efforts to create a more fair and just society through their leadership in the abolitionist, emancipation, labor, and civil rights movements, education reform, and the establishment of charitable, philanthropic, and cultural institutions in the United States; and

Whereas, the leadership of women in elected office including the contributions of our own County Board of Education trustees serves as an example of community and civic engagement for girls and women in our county; and

Whereas, additional education is needed to increase the knowledge of all citizens relative to the contributions of women and opportunities for girls and women to develop their leadership skills and to eliminate bias in education and the workforce; and

Whereas, despite the advancements of women in the United States, much remains to be done to ensure that women realize their full potential as equal members of society;

Now, Therefore, Be It Resolved that the San Mateo County Board of Education and the San Mateo County Superintendent of Schools recognize March 2020 as National Women’s History Month and urge the schools and communities of San Mateo County to observe the month and provide students with meaningful educational opportunities to learn about and celebrate the role of women in American history and society.
