Such materials shall not include photocopied sheets from only a portion of a textbook or other source of instructional materials copied to address a shortage; and

Whereas, between the 2008-2009 through the 2020-2021 fiscal years, the definition of “sufficient textbooks or instructional materials” also means that all students who are enrolled in the same course within a San Mateo County Office of Education school program have standards-aligned textbooks or instructional materials from the same adoption cycle; and
