EDUCATE ALL STUDENTS FOR SUCCESS

Reopening 20-21
Theory of Action

1. Safely provide high quality educational opportunities for all students in Martin County. Ensure students are in school to the greatest extent possible while maintaining safety.

2. Provide parent choice of programming options.

3. Ensure access to digital instruction for all students so they may learn from home and in school buildings to close achievement gaps.
MCSD Guiding Principles

1. Communication and collaboration with local healthcare professionals, parents, and staff is key.

2. Our greatest resources is our people and their safety is our first priority.

3. Be flexible and responsive to changes in data and expectations.

4. Increase student achievement while closing achievement gaps.
Martin County School District Back To School 2020

Community Spread Level
(CDC definitions with Local Health Department interpretation)

- No Spread
- Low to Moderate Spread
- Mandated School Closure

Instructional Model

- Traditional in school
- Traditional in School
- K-12 Remote learning (home only)
- K-12 Remote learning (home only)

Attendance Model

- K-12 regular school schedule
- K-12 regular school schedule*
- K-12 Remote learning- virtual access into classrooms
- School closure by class/school/or district with remote learning

EDUCATE ALL STUDENTS FOR SUCCESS
Option 1: Traditional School

➢ Students will attend traditional school and follow their regular schedule.
Option 2: Virtual Access to the Classroom from Home K-12

- Students/Teachers will follow the same curriculum sequence as their peers in school and can easily return to school
- Students receive direct instruction from their classroom teachers
- Students will access class content through livestream video
- Students will maintain enrollment at their school
- Attendance will be taken each period
- Students will have 1:1 device
- Services including mental health, counseling, and interventions will be made available
- Parents should provide adult supervision and support for young children
- This option not available for Voluntary Pre-Kindergarten or Pre Kindergarten programs
Traditional (In School) Risk Mitigation Strategies

Following Local, State, and Federal Considerations
Risk Mitigation Strategy #1

Stay Home When You are Sick
Risk Mitigation Strategy #2: Hand Hygiene
Hand Hygiene

- The best ways to protect staff and students is hand washing
- Priority at all schools for staff and students frequently as feasible
- Alcohol based hand sanitizer will be made available. Parents can send sanitizer with their child
Risk Mitigation Strategy #3:
Face Masks Required
Face Masks

- All persons entering district property or riding a school bus will be required to wear a face mask when physical distancing is not possible.

- Face masks will be provided for staff and students.

- All staff and students will wear face masks when physical distancing is difficult.
Risk Mitigation Strategy #4
Screening and Temperature Checks
COVID-19 Screening and Temperature Checks

➢ All persons entering a school district site should expect to have their temperatures taken as appropriate

➢ Any person with a temperature over 100.4 degrees Fahrenheit will be denied entry

➢ All visitors and staff will be screened with COVID-19 questions approved by DOH Martin

➢ School staff will be trained on COVID-19 symptoms to assist them in visibly monitoring students’ health
Risk Mitigation Strategy #5
Cleaning and Disinfecting
Cleaning and Disinfecting

➢ Surfaces will be cleaned and disinfected frequently to the greatest extent possible.

➢ EPA registered disinfectant products will be used by staff for all high touch areas and surfaces.
Risk Mitigation Strategy #6
Modified Layouts
Modified Layouts

- Increased physical distancing wherever possible
- Desks in classrooms = 6 feet apart wherever possible
- Physical Guides and Signage:
  - Tape on floors or sidewalks
  - 6 feet apart
  - One way routes in the hallways
Risk Mitigation Strategy #7
Shared Objects and Physical Handling of Documents
Shared Objects and Physical Handling of Documents

➢ To be avoided to the maximum extent possible

➢ Students will use their own personal tools and supplies
Risk Mitigation Strategy #8
Communal Spaces
Communal Spaces

➢ Utilizing communal spaces increases our opportunity for physical distancing

➢ Cleaning and disinfection between use
Risk Mitigation Strategy #9
Gatherings, Visitors, and Field Trips
Gatherings, Visitors, and Field Trips

- Limiting non-essential visitors
- No assemblies, large gatherings, or field trips
- Limiting activities involving external groups or organizations
Risk Mitigation Strategy #10

Protections for Staff and Students at Higher Risk for Severe Illness from COVID-19
Protections for Staff and Students at Higher Risk for Severe Illness from COVID-19

➢ Options for staff and students at high risk will be evaluated by Human Resources or Exceptional Student Education for 504/IEP plan options
Thank You!
