SUMMARY OF THE
ACCOMPLISHMENTS OF THE CLASS OF 2019

Introduction

The Howard County Public School System’s Class of 2019 was comprised of 3,966 students who attended 12 comprehensive high schools. Parents, teachers, counselors, administrators, coaches, support staff, and members of the community guided the members of the Class of 2019 to success.

The result of that convergence of human energy is truly impressive in terms of the data that follows; however, the results will only be determined in the future as members of the Class of 2019 exercise their full rights and responsibilities as workers, family members, and citizens in our community. The class has demonstrated a commitment to caring about others, volunteering in the community, and working together successfully for common causes and interests.

Findings

In a survey of their experiences in high school and preparation for college, 3,047* student responses were collected regarding plans after high school. The graduates in the class of 2019 have indicated the following:

- 36 National Merit Finalist scholarships
- 54 students were accepted to an Ivy League college or university
- 983 students offered at least one scholarship
- $50,414,173 in scholarship money offered to graduates
- 496 seniors took a total of 1,271 courses for college credit under the JumpStart Dual Enrollment program
- 763 completed a Maryland CTE program
- 352 colleges and universities HCPSS students plan to attend in the fall of 2019 (see Appendix A)

* During the collection period of the 2019 Senior Survey, it was discovered that the survey function in Naviance was not working properly. This issue effected data collection in several Maryland counties, including HCPSS. Data is not available for 919 Class of 2019 HCPSS graduates. Therefore, the post-graduation plans of our graduates is not accurate. Scholarship collection was also impacted resulting in a much lower total than reported in the class of 2018.

Conclusion

From the information presented in this report it can be seen that the Class of 2019 deserves praise and recognition for its accomplishments.
352 COLLEGES and UNIVERSITIES
