Policy

Instructional Goals and Learning Objectives (Philosophy of Education)

Purpose: To establish the board’s vision for instruction in the district.

The district will develop and implement an appropriate curriculum for all students based on Richland Two’s mission statement and beliefs. The district will strive to provide a quality education program to meet the needs of all students by providing the best personnel, physical environment, materials, adopted curricula, as well as rules, regulations, and requirements of state law.

Mission statement
In partnership with our community, Richland School District Two prepares all students for success by providing meaningful, challenging, and engaging learning experiences.

Mission
In partnership with our community, we develop global citizens of tomorrow - citizens who are prepared to lead and excel in their chosen pathways.

Vision
Richland Two strives to be the premier school district - a learning and working environment where all partners are committed to creating, sustaining and investing in a culture and environment of excellence and where all are afforded the opportunity to maximize their gifts and talents as they pursue their pathways to purpose.

Universal Goals for Learning
Culture and Environment - Promote collaboration among all partners in order to build and add to our collective knowledge and expertise.
Talent - Dedicate resources towards the ongoing development of the gifts and talents of all partners.
Achievement - Ensure success for all partners by preparing them for their futures.

Beliefs
- We believe that as our students inquire and ask questions about their world, our classrooms transform into centers of learning designed to meet the needs of the 21st century.
- We believe that the latest technologies and authentic experiences ignite the joy in learning.
- We believe that connections and real-world challenges inspire our students to extend themselves into the realm of all possibilities.

The district’s strategic plan contains specific strategies designed to support the board’s vision for instruction.
