IHCD Advanced College Placement

Issued 7/03 Draft 19

Purpose: To establish the basic structure for the district's advanced college placement program.

The district will provide advanced placement course offerings in each high school enrolling an adequate number of academically talented students to support the courses.

Students successfully completing advanced placement course requirements and the advanced placement examinations will receive advanced placement credit in post-secondary public colleges in South Carolina or in other states in the manner specified by the South Carolina Commission on Higher Education in conjunction with the South Carolina State Board of Education.

Adopted 5/14/85; Revised 7/1/03.
