IKAA Tests and Examinations

Issued 2/04 Draft/19

Purpose: To establish the board's vision and the basic structure for evaluating students in the district's schools.

Pupil Student evaluation is an integral part of the teaching-learning teaching and learning process. Teacher Instructional staff communication with the parent/legal guardian regarding individual pupil student achievement is a central part of the evaluative process. The classroom teacher is responsible for student pupil evaluation, subject to the supervision of the school principal. All current applicable state laws and regulations will be implemented. Exams will be given at the end of each semester for all credit bearing credit-bearing courses.

End-of-Course Testing

In courses requiring state end-of-course testing, the district will apply the mandatory 20 percent weighting of the end-of-course test to the student's final grade. The end-of-course test will serve as the final exam for the course.

Adopted 7/1/03; Revised 2/24/04.
