IKC Class Rankings

Issued 8/14 draft/19

Purpose: To establish the basic structure for the determination of class rankings.

Class rankings (based on grade point ratios) will be computed for each class at the following points:

- end of the tenth grade
- end of the eleventh grade
- end of the twelfth grade

Junior Marshals will be selected based on rank at the end of the sophomore year, adjusted as needed for enrollment changes.

The senior class will be ranked at the end of the fourth quarter to select honor graduates (No. 1 and No. 2 number one and number two graduates and the top 10% of the graduating class). In order to be honored as one of the top 10 of a graduating class, a student must have been enrolled in the school for a minimum of 130 consecutive days prior to the end of the fourth quarter of the senior year. The student's actual class rank, however, will be recorded on his/her transcript.

Class ranks will not be published.
