ILBB State Program Assessments

Issued 9/15 Draft/19

Purpose: To establish the basic structure for implementation of the statewide assessment program.

Statewide Assessment Program

All students attending district schools will participate in the statewide assessment program as mandated by current applicable laws and regulations. This program will promote student learning and continuously assess each individual student's performance in relation to the statewide academic standards and guidelines for English/language arts, writing, mathematics, social studies, and science.

In addition, the National Assessment of Education Progress (NAEP) will be administered each year to obtain an indication of student and school performance relative to national performance levels.

The district will comply with administrative rules prepared by the administration as well as federal and state laws and regulations in the implementation of the statewide assessment program.

Students with disabilities will be included in the assessment program in compliance with the provisions of state and federal laws and regulations.

Adopted 5/81; Revised 9/30/86, 7/1/03, 2/27/07, 9/29/15.
