IHD Adult/Community Education

Issued 7/03 Draft 19

Purpose: To establish the basic structure for adult/community education.

The district provides adult education programs that meet the following criteria district’s adult education program:

- prepares Prepare students for the state high school equivalency examination.
- Offer provides courses leading to a high school diploma.
- provides Provide courses in basic education subjects.

The adult education program may offer courses in entrepreneurial skills, job training, employment skills, enrichment and continuing education.

Membership in the adult education program will be limited to individuals who are 18 years of age or older and have left elementary or secondary school before promotion or graduation. An exception to this is when the board, through the superintendent or his/her designee, approves the enrollment of assigns students who are 17 less than 18 years of age to the program.

The district may provide opportunities for community education as desired and requested by community members. The program will be totally self-supporting. The district may sponsor the community education program alone or in cooperation with other community agencies.
