Closed Campus (Lunch Periods)

To help ensure a safe campus during the regular school day, the campuses of all schools in the district will be considered "closed campuses" during lunch periods. An exception to this policy may be considered by the superintendent or his/her designee board upon the request of the administration or school improvement council of the affected school.

Each high school has the option of permitting seniors as well as second semester juniors who meet established criteria (12th graders) to leave campus during the lunch period as a "senior privilege."
