Applicants will be placed in Region based on the students’ base school
Each pathway will maintain a list of students not chosen in the initial merit lottery. Students will be placed on the list in the order their names were drawn.

Openings in each pathway will be filled with the first name on the list for that pathway.

Should a non-FCPS pathway exhaust its list of students, the next eligible candidate off the FCPS list will be chosen.

As needed, additional applicants will be offered on the 1st and 15th of every month through end of 1st Quarter in order to maintain a class of 500.

Any student who declines the offer of admission will be removed from eligibility.
